SCHOOL HEALTH®

We Supply Your Future™

Have You Created Your OSHA Required Safety Plans?

OSHA requires you to be prepared for an emergency by creating the following safety plans for your office:

- **Emergency Action Plan**
- **Exposure Control Plan**
- **Fire Prevention Plan**
- **Hazard Communication Program**

In less than an hour, you can create a safer workplace, and become OSHA compliant with our Safety Plan Builder, part of School Health's online safety program, which includes:

- **Safety Data Sheet (MSDS/SDS) management** - Access millions of MSDS/SDSs
- **Safety Plan Builder** - Complete all your OSHA required safety plans in minutes
- **Safety Audits** - Are you OSHA compliant? Find out here.
- **Training** - Safety training for your employees
- **Federal Regulations** - Find the answers you need instantly
- **and more...**

Since 1985, the online compliance program has been a trusted resource to thousands of businesses for compliance information, audits, and training, helping you manage your compliance needs with our one-stop compliance solution.

Call or click today to get in compliance and stay in compliance.
