

Are your employees current on their Hazcom, Bloodborne Pathogens and HIPAA Training?

Your employees **MUST** be trained in Hazcom, Bloodborne Pathogens and HIPAA.

School Health can provide all of your Hazcom, BBP and HIPAA compliance training as part of our online safety program, which includes:

- **Safety Data Sheet (MSDS/SDS) management** - Access millions of MSDS/SDSs
- **Safety Plan Builder** - Complete all your OSHA required safety plans in minutes
- **Safety Audits** - Are you OSHA compliant? Find out here.
- **Training** - Safety training for your employees
- **Federal Regulations** - Find the answers you need instantly
- **and more...**

Since 1985, the online compliance portal has been a trusted resource to thousands of businesses for compliance information, audits, and training, helping you manage your compliance needs with our one-stop compliance solution.

Call or click today to get in compliance and stay in compliance.

The BBP Training satisfies the annual OSHA Bloodborne Pathogens requirement on exposure control principles and practices. The Hazcom Training satisfies OSHA's Hazard Communication Standard. The HIPAA Training satisfies the HHS privacy requirement.
