## Hand Hygiene Dispenser Placement

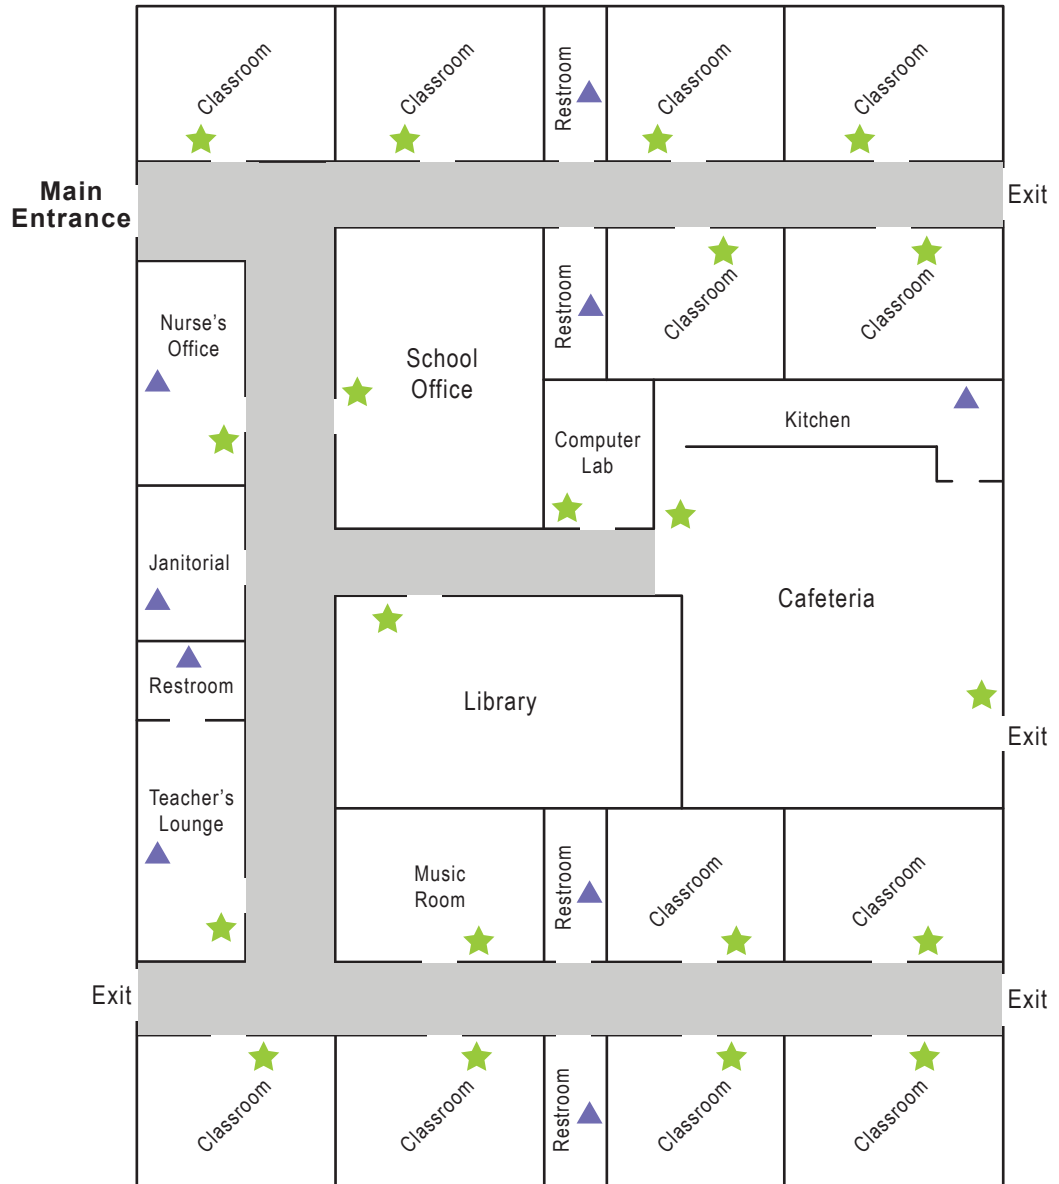

- Sanitizer dispensers in every classroom, near door.
- Sanitizer dispensers NOT in egress corridors.
- Sanitizer dispenser in cafeteria, office, library, nurse's office, and lounge.
- Soap dispensers in every restroom and at every sink.

- ★ Avant Instant Hand Sanitizer Dispenser
- ▲ Aterra Hand Soap Dispenser
- Egress Corridor

### Mobile Hand Sanitizer Stand Kit (Item 9400)

The 9400 is an ideal solution for all mobile or temporary hand hygiene needs, including:

- cafeteria
- event concessions
- graduations
- outdoor events

Additional dispensers should be placed in locker rooms, weight rooms, and other athletic facilities.
