

Critical-Line[™] Quantum Device Trade-In Program

01/01/25-06/30/25

Good-Lite LLC is proud to announce an exciting trade-in program for our valued customers! Take advantage of this limited time offer and upgrade your vision screening equipment to the latest Critical Line[™] LED Quantum Devices.

- Customers will receive \$400 for each Insta Line[™] device traded in when purchasing a new Critical Line[™] device.
- This program is open to any customer purchasing a Critical Line[™] device and returning an older Insta Line[™] device.
- Program runs from January 1, 2025 – June 30, 2025.

How to participate:

1. Purchase any eligible Critical Line™ LED Quantum Device during the program dates.
2. Return your older Insta Line™ device with the School Health trade-in form to receive the \$400 trade-in rebate per device.
3. Enjoy your upgraded equipment and the enhanced capabilities of the Critical Line™ series!

Eligible Critical Line™ LED Quantum Device Vision Screening Kits Purchases:

Recommended by Guidelines:

The Critical-Line™ meets the latest guidelines, replacing all previous devices.

Hands-Free Operation:

Comes with a wireless remote control, allowing operators to manage the test seamlessly without holding the device, enhancing accuracy and ease of use.

Efficient Line-by-Line Operation:

Streamlined, line-by-line functionality shortens screening time* and allows screeners to stay focused on the student, improving accuracy.

*can reduce screening time by 30-50% depending on the individual and process

All-in-One Design:

Compact and self-contained, with everything needed for screening children aged 3 through high school included. Easy to set up and transport between screening locations.

Clear and Consistent Results:

Bright, even LED lighting ensures reliable vision assessments, regardless of the environment.

Contact us at vision-hearing-EHR@schoolhealth.com for more information or to participate in the trade-in program.
