Tips:

- Be sure to login to SchoolHealth.com before creating a supply list.
- You will need to add a quantity to the Qty box to add an item to your list.

Click the “Save Cart” Button While on the Shopping Cart Page:

The screenshot shows a shopping cart page with three items:

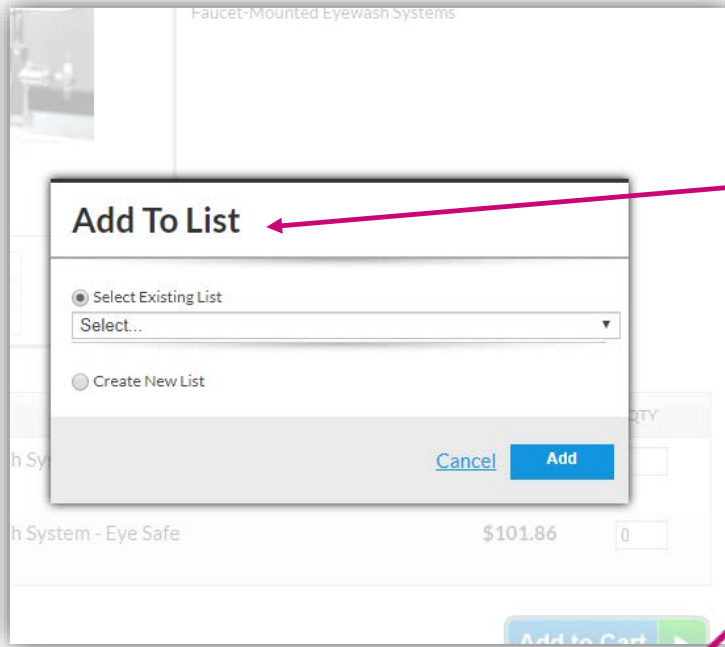

Item	Status	Quantity	Action
 <u>Isopropyl Alcohol - 16 oz. (70%)</u>	* In Stock	34042	Edit
 <u>Ammonia Inhalant Products - Capsules - 10/Box</u>	* In Stock	49144	
 <u>Say & Do Grammar Board Games</u>	* Available	1001052	Edit

At the bottom of the cart, there are four buttons: "Continue Shopping", "Save Cart", "Print cart", and "Remove All Items From Cart". The "Save Cart" button is circled in pink, and a pink arrow points from a text box on the right to it.

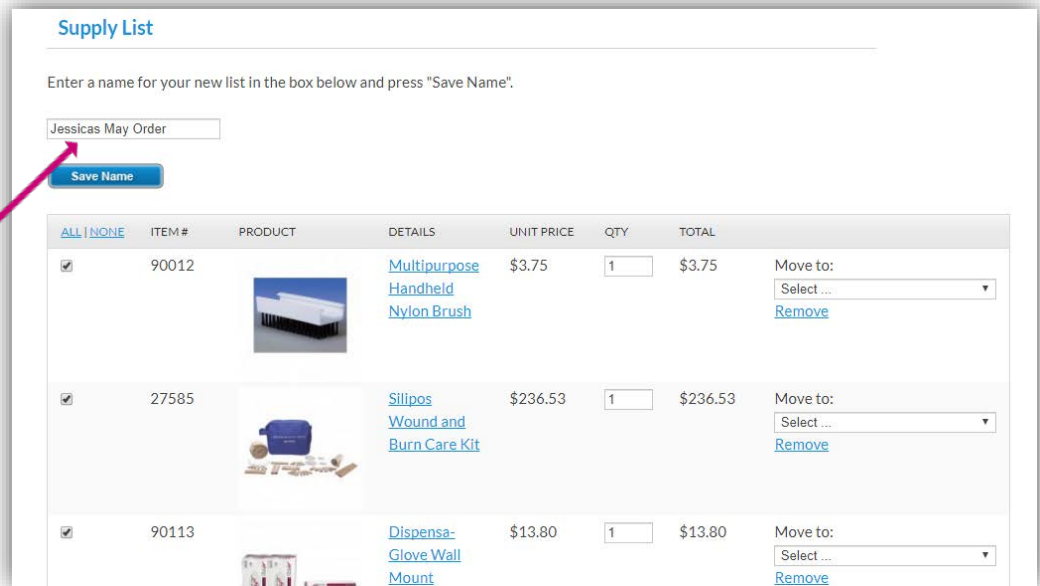

Clicking the “Save Cart” button on the shopping cart will save your cart as a supply list.

Tip: You will need to login to save your cart as a supply list.

You Can Add Items to an Existing List or Create a New List:

The website will ask you if you want to add the items to an existing list or a create a new list.

You can change the name of the supply list at any time.

How to Order From a Supply List:

Use the checkboxes along the left side to indicate which items on your supply list you want to add to your shopping cart.

Tips:

- Many people find it easiest to adjust quantities after the products are added to the cart.
- If you change a quantity to zero in the supply list, the item will be removed from the supply list.
- Anytime you update quantities on your supply list, you must hit the “save” button before adding to cart.
