

Empower Students with the New CPR in Schools Training Kit!

The American Heart Association's newly upgraded CPR in Schools Training Kit enables students to learn the lifesaving skills of CPR in just one class period.

School Health is the sole distributor of the CPR in Schools Training Kit which is designed specifically to meet the needs of schools. This easy-to-use educational kit features:

- Redesigned inflatable and durable manikins
- Wheeled classroom carry bag
- AED Simulator for enhanced AED training
- Facilitator binder containing lesson plans, testing and supplementary material
