1 Substance Identification

- Product Name: Neosporin Ointment
- Synonyms: MSDS #: WW074F00
- Manufacturer/Supplier:
Warner-Lambert
201 Tabor Road
Morris Plains, New Jersey 07950
USA
- Further information available from:
Corporate Safety and Industrial Hygiene
1-973-540-2000
- Additional Information:
This Material Safety Data Sheet conforms to 91/155/EEC and 93/112/EEC.

2 Composition/Data on Ingredients

- Chemical Characterization:

Dangerous Components:

1405-20-5 Polymyxin sulfate	0.05 %
Xn; R 22-36/37	
1405-89-6 Bacitracin zinc	0.8 %
1405-10-3 Neomycin, sulfate (salt)	0.5 %
Xn; R 21/22	

3 Hazards Identification

- Hazard Description:
- Information for Consumer Use:
Use only as directed by product packaging.
If the symptoms being treated persist, or other symptoms develop,
discontinue use and consult a physician.
- Classification System:
The information in this data sheet is consistent with current EU
regulations and has been expanded by internal Warner-Lambert labeling.
- Additional Information:
If you do not understand the hazards or safety precautions described in
this data sheet, contact the Warner-Lambert Company before handling
this product.

4 First Aid Measures

- Eye Contact:
In case of accidental contact, immediately flush eyes with water.
Hold eyelids open to ensure adequate flushing.
Get medical assistance.

(Contd. on page 2)

Product Name: Neosporin Ointment

(Contd. of page 1)

• **Skin Contact:**

In case of accidental contact, immediately remove contaminated clothing and wash affected area with soap and water.

Get medical assistance if irritation or other symptoms develop.

• **Ingestion:**

In case of accidental ingestion, administer 1-2 glasses of milk or water to dilute ingested material.

Get medical assistance if irritation or other symptoms develop.

• **Inhalation:**

Remove victim to fresh air.

Get medical assistance.

5 Fire Fighting Measures

• **Suitable Extinguishing Agents:**

CO2, extinguishing powder or water spray.

• **Fire Hazards:** No Data Available

• **Protective Equipment:**

Wear appropriate protective equipment, including self contained breathing apparatus (SCBA), during all fire fighting activities.

6 Accidental Release Measures

• **Measures for Environmental Protection:** No special measures required.

• **Measures for Cleaning/Collecting:**

Collect small spills with a clean towel or mop.

Place waste in an appropriate container for disposal.

7 Handling and Storage

• **Handling:**

Manufacturing operations may require special handling procedures to limit exposure to this material or its ingredients.

Contact your supervisor or safety administrator for more information.

Handle as directed by product packaging.

• **Storage:**

Store as directed by product packaging.

Store in a cool, dry area.

8 Exposure Controls and Personal Protection

• **Engineering Controls:**

Manufacturing operations may require the use of engineering controls to limit exposure to this material or its ingredients.

Contact your supervisor or safety administrator for more information.

• **Personal Protective Equipment:**

Manufacturing operations may require the use of personal protective equipment to limit exposure to this material or its ingredients.

Contact your supervisor or safety administrator for more information.

Product Name: Neosporin Ointment

* 9 Physical and Chemical Properties

- Form: Gel
- Color: Colorless

• Flash Point:

Value/Range	Unit	Method
Not Applicable		

• Solubility:

• Water:

Slightly soluble

• Organic Solvents:

No Data Available

10 Stability and Reactivity

- Stability: This material is stable under normal conditions of use.
- Dangerous Reactions: No dangerous reactions known
- Hazardous Decomposition Products:
No dangerous decomposition products known

11 Toxicological InformationAcute/Subacute Toxicity:

1405-20-5 Polymyxin sulfate

Oral: LD50: 750 mg/kg (mouse)

- Irritation Effects:
- Eye Irritation: No Data Available
- Skin Irritation: Not expected to cause skin irritation.
- Respiratory Irritation: No Data Available
- Sensitization: No sensitizing effects known.

12 Ecological Information

- General Notes: Generally not hazardous for water.

13 Disposal Considerations

- Disposal:
Dispose of waste in accordance with all applicable laws and regulations.

14 Transport Information

- Additional Information:
This material is not regulated for transportation.

15 Regulatory Information

- European National Regulations:
- Water Hazard Class: Generally not hazardous for water.
